FEATURING VIEWS FROM

Paint-Fest '07

PORTRAITURE

Susan Cesarini's two day portraiture class was booked to capacity. If you missed out be quick to catch the next one later in the year.

PASTEL

Craig Taylor is a new discovery as a tutor for St George and his students all agreed he presented challenging and satisfying projects.

OIL PAINTING

Paul McCarthy presented the most intriguing exercises in colourful image making requiring a new slant on creative thinking.

Our beautiful spacious, light-filled workspace is an excellent venue for Paint-Fest which is drawing an increasing number of participants every year.
