

# The Overflow

SGAS07 Night of Nights . . . . .

..... opening night,  
and the hall  
resembled the  
Palais Royale.....

..... guest speaker, Dr.  
Bowring, was absent -  
a home burglary (!).....

..... but the social evening went  
well ..... with sales in both  
jewellery and artwork.....

..... and well deserved rests by the  
exuberant bar staff and the  
graveyard shift  
not leaving til  
nearly the wee  
hours.
